Participation Agreement

I. AT Ohio serves as a conduit to place used/refurbished computer equipment and software with persons with disabilities and does not accept any responsibility for the operation or performance of the equipment. Any repairs, adjustments, training for, or support of this equipment/software is the sole responsibility of the undersigned. These responsibilities include, but are not limited to, any costs that may be incurred in adjustments or repairs that may be required to make the equipment/software operational upon its receipt, as well as any cost incurred to maintain the equipment/software.

II. This equipment/software is received and distributed without implied or expressed warranty, hence any equipment/software is received by the undersigned without such warranties and any equipment/software that is accepted by the undersigned is accepted in “as-is” condition. AT Ohio provides the equipment to recipient without liability or an obligation to provide indemnity of any kind.

III. AT Ohio is NOT responsible for any damage that may be incurred during shipment of equipment/software either to or from their premises or the premises of the undersigned.

IV. AT Ohio is not responsible for any Copyrights, Licensure, Trademarks, or Trade Secrets that may be created or violated by use of this equipment/software by the undersigned. It is the sole responsibility of the undersigned to register and/or upgrade any equipment/software as required by the dealer.

V. Under NO circumstances is equipment/software to be sold or loaned to other persons.

VI. Recipient will execute the agreements provided by AT Ohio that govern license rights to the software that is installed on the equipment. Recipient agrees to comply with applicable laws and regulations governing ownership and use of the equipment, in particular those laws and regulations governing the proper disposal of the donated equipment.

VII. Recipient will pay Assistive Technology of Ohio/OSU a fee in the amount of **\$60** (or **\$30** if picking up computer) for each computer system received from AT Ohio, which will consist of a working computer, keyboard, display monitor, mouse and all necessary cabling and power cords.

The computer equipment provided by AT Ohio will be configured to provide basic computing functionally for individuals with limited or minimal computing skills. The mission of AT Ohio is to help bridge the “digital divide” by providing computing experience to people with disabilities in the state of Ohio.

I have read and understand the above agreement and accept all terms and responsibilities as outlined above.
